

## **Brien M. O'Brien**

2014 – 2019

CHICAGO, ILLINOIS

Brien M. O'Brien is the Founder, Chairman and Chief Executive Officer of Port Capital, LLC. Brien has spent the majority of this 35 year career building and leading investment management firms. Prior to founding Port Capital, Brien served as Chairman and Chief Executive Officer of Advisory Research, Inc., an investment management firm operating across the global markets. Brien co-founded Advisory Research in 1996, and under his leadership it became one of the leading value investment management firms in the country.

Brien also serves as a Trustee of the University of Chicago Medical Center and Boston College, and is a Director of the National Parks Foundation and the Sheriffs Meadow Foundation, an accredited land trust based in Martha's Vineyard, Massachusetts.

Brien graduated with honors from Boston College with a B.S. in Finance and Theology.
